

Encounter Renewal Retreat is a weekend of camping, fellowship, and an intentional pursuit of the Lord.

Encounter Renewal Retreat is a weekend consecrated to pursuing the Lord where participants enjoy camping in a beautiful wilderness, gourmet camp food, and life-giving fellowship. You will enjoy a customizable program of discussion, prayer, meditation, worship, and coaching, as well as optional activities like hiking, fishing, kayaking and more. Spend an entire weekend uninterrupted opening your heart to the Lord's direction!

You bring to Encounter what is on your heart. A career decision? A better marriage? A discipline to develop? Destructive thoughts to release? You'll have the opportunity to simply be in God's presence and let Him speak to you, guide you, and renew you. You will be guided through a 4-part renewal process: **availing** yourself fully to the Lord, **repenting** of worldly thoughts and actions, **receiving** whatever the Lord has for you, and learning to **abide** in Him.
